5 Ways
An Active Website Will Help Your Organization

Geode Web Design

www.geodewebdesign.com

1. People Can Find You

The world is a busy place, with literally hundreds of thousands of businesses, corporations, and organizations of all kinds. Having a strong and easy to find web-presence helps you stand out from the crowd, and *Geode* makes it possible!

2. Establishes a Relationship with the Community

One of the most important aspects of successful businesses is trust. People want to trust those they work with and those that work for them. *Geode* helps you to establish your relationship with your community and clients by spot-lighting relevant content and updating that content frequently and reliably.

3. Opens up New Doors for Growth

Today, most organizations are on the web in one way or another. This has become so much the standard that to be without a website can even detract from the legitimacy and credibility of your business! *Geode* helps take care of this problem and provides a custom and professional web presence for our clients!

4. Allows You to Focus on Other Tasks

If your organization is small or has limited funding the basic necessities of staying afloat can be daunting in and of themselves. Let *Geode* lighten your load by creating and maintaining website design and content!

5. Keeps your Organization Fresh and Engaging

Being at the top of your game and at the forefront of progress is important to the success and longevity of your organization. When you come to *Geode*, we strive to make sure you will never be behind the times!

So Why Use *Geode*?

Many small and non-profit organizations have no staff, time, or qualifications to accomplish all the tasks necessary to develop and maintain a quality website.

That is why *Geode* exists!

Let *Geode Web Design* make your website a living reality!

• Free website creation*

• New relevant content added monthly

• No hassle maintenance and upkeep

*With one year support and content contract
